## TRUCK TIPPLER

At FRIGATE we have in-house facility to design, manufacture & install various sizes of Truck Tipplers. Bulk Transport of products such as Maize, Coal, Aggregate and similar lumpy material by conventional Trucks is a normal feature of our infrastructure. The efficient unloading at delivery point is achieved by tilting the entire truck chassis by pivoting near the rear wheel axis and rotating by about 50 degrees to horizontal. This is achieved by a hydraulic tilting platform on which the loaded truck is parked and then locked into position.

## WAGON TIPPLER

FRIGATE engineers & manufactures rotary wagon tippler, designed for unloading broad-gauge open rail wagons with a gross load up to 110 MT. Each product is passed through strict quality checks to ensure its high quality and trouble-free performance for years. Areas of application are all industries where bulk materials are used, delivered by goods trains.

## Who We Are

Frigate Teknologies is a diversified global conglomerate providing integrated services for various core sectors.

### Services

1. EPC Contracts
2. Design & Engineering Services
3. Consultancy Services
4. Project Management

### Industries Served

1. Cement
2. Mineral Processing
3. Energy
4. Marine
5. Steel
6. Aviation

In very simple words, we offer one-stop solution from **CONCEPT to COMMISSIONING**

## Our Values – Our Vision – Our Mission Statement

Values	Vision	Mission
<p>To realize our vision and mission, we always turn to the corporate values that we hold dear. We will live and deliver these values with uncompromising commitment to safety and sustainability.</p> <p><b>Performance - Passion - Team Work - Agility - Reliability</b></p>	<p>We will deliver reliable, high-quality solutions for global infrastructure, always ensuring that integrity, safety and sustainability are at the heart of everything we do.</p>	<p>To be among the top ten EPC companies in the segments and markets we serve by 2025</p>

## What sets us apart

ISO 9001 – 2008 Certification

In-House Design Setup

Compliance to International Design & Safety Norms

Compliant to International Project & Contract Management Standards
